

**HIGHLAND PARK, SECTION 1**  
**REVISED DECLARATION OF COVENANTS, CONDITIONS AND**  
**RESTRICTIONS**

This revised declaration is made this 30th day of November, 1990, by James R. Sease and Janie T. Sease, husband and wife, collectively referred to as the "Declarant," and by First American Bank of Virginia and Commonwealth Abstract Corporation, Trustee, for the limited purposes indicated below.

**PREAMBLE**

A. Declarant is the owner of all lots located in the County of Rockingham, Virginia, designated on a subdivision plat dated March 30, 1990, entitled "HIGHLAND PARK, SECTION 1," which was recorded in the Clerk's Office of the Rockingham County Circuit Court in Deed Book 1037 at page 786.

B. First American Bank of Virginia is the beneficiary of a deed of trust on the property. The deed of trust is recorded in the Clerk's Office of the Rockingham County, Circuit Court in Deed Book 1035 at page 496. First American Bank has executed this revised declaration for the sole purpose of expressing consent to it and to the platting and dedication associated with the subdivision plat referred to in paragraph (A) above. The Trustee under the deed of trust, at the request of First American Bank, has also executed this revised declaration solely to express consent to its contents and the subdivision plat referred to in paragraph (A).

C. Declarant previously recorded a Declaration of Covenants, Conditions and Restrictions in the Clerk's Office of the Rockingham County Circuit Court in Deed Book 1037 at page 796. Declarant wishes to amend that declaration, and this document supersedes it entirely.

*Now, therefore*, Declarant amends the declaration referred to in paragraph (C) above in its entirety and declares that all of the lots shown on the plat shall be held, transferred, sold, conveyed, and occupied subject to the following limitations, restrictions, and uses which shall run with the real estate and shall be binding on and inure to the benefit of all present and future owners thereof. This declaration, however, shall not apply to any other "phases" or sections of Highland Park or any other land owned by Declarant, except for such land as may be added under § 3.5.

**Article 1**  
**Architectural Control**

§ 1.1 No building, fence, or other improvements shall be erected on placed on any lot and no exterior addition, change or alteration to any improvements on any lot shall be made until the plans and specifications showing the nature, kind, shape, height and materials and a plat showing the location of the same shall have been submitted to and approved in writing as to the harmony of external design and location in relation to surrounding structures and topography by an Architectural Control Committee ("ACC"). The ACC shall be composed of three members appointed by the Declarant until the earlier of the following:

- (a) the date on which the last lot shown on the subdivision plat is sold by the Declarant, or
- (b) assignment by the Declarant of its right to appoint the committee to the owners of lots in the subdivision, as evidenced by a recorded instrument.

These members appointed by the Declarant shall hold office until removed by the Declarant or their successors are elected as later provided.

§ 1.2 Upon the happening of the events listed in § 1.1 (a) or (b), the Declarant shall give notice of the election of members of the ACC. If Declarant for any reason fails to do so, then

any owner may give the notice. The notice shall be in writing and mailed first-class at least thirty (30) day in advance of the proposed election to each owner at the address listed with the Treasurer of the County of Rockingham, Virginia. A ballot shall be attached to the notice which shall contain the names of at least three persons suggested by the Declarant or other mailing party with the right reserved to each owner to nominate and vote for additional or other persons if desired.

§ 1.3 The three persons receiving the highest number of votes shall be elected, the ballots shall be counted and certified by the person calling the election.

§ 1.4 The person receiving the highest number of votes shall serve a term of three years; the person receiving the next highest number of votes shall serve a term of two years, and the person receiving the third highest number of votes shall serve a term of one year. Thereafter, all persons elected shall serve for a term of three years. No persons shall be elected to more than two successive terms. Vacancies — whether caused by resignation, removal, or expiration of term — shall be filled by the remaining members of the ACC. If all three offices are vacant, any owner may request an election to be held as earlier provided. All matters decided by the ACC shall be determined by majority vote.

§ 1.5 The ACC shall have full and complete discretion to approve or disapprove proposed buildings, fences, and other improvements and alterations on the lot and in the exercise of its discretion, the committee shall not be bound to approve any proposed buildings and improvements solely because they comply with the other restrictions and covenants or are equal in cost or value to buildings and improvements on other lots. In the event the ACC fails to approve or disapprove the plans and specifications within thirty days after submission, the plans and specifications shall be deemed to be approved, but the failure of the ACC to act shall not be construed to waive any violation of these covenants.

§ 1.6 The ACC may base its approval or rejection of plans or specifications upon any grounds, including purely esthetic considerations, which in the sole discretion of the committee shall seem sufficient. Representatives of the ACC shall have the right to inspect the building during construction to insure that it complies with the approved plans and specifications. Where discrepancies exist, the ACC may require corrective work, or, where warranted in its opinion, it may issue a notice to cease construction until compliance is assured to its satisfaction. Failure to heed such a notice from the ACC shall operate as a default under this covenant and shall give the ACC, in addition to any rights under general law, all of the rights and powers set out in this declaration.

§ 1.7 The exterior of any dwelling or building constructed on any lot shall be completed within nine months after the commencement of construction.

§ 1.8 The ACC shall have the power to approve any proposed buildings or improvements on any of the lots in the subdivision even though the buildings or improvements do not meet the requirements of this instrument, if, in the discretion of the committee, such deviations are not harmful to the value of the adjoining property. The ACC shall be under no duty to exercise this power, however. Further, the ACC shall have no power to permit a deviation from §§ 2.1 and 2.2 of this instrument.

§ 1.9 Neither the Declarant nor the ACC shall be liable to any owner or other person on account of any claim, liability, damage, or expense suffered or incurred by or threatened against an owner or other person arising out of or in any way related to the subject matter of any reviews, acceptances, inspections, permissions, consents, or required approvals which must be obtained from the Declarant or the ACC, whether given, granted, or withheld.

§ 1.10 Any purchaser for value of any lot in this subdivision and any lender who secures a lien on any lot in this subdivision may assume that any improvements on the lot which have been

completed for more than six months are satisfactory to the ACC.
